SUPPLEMENTAL AMENDMENT

Commissioner for Patents
Washington, DC 20231

Sir:

The following amendment and remarks supplement Applicant's response filed 10 July 2002 in response to the Office Action mailed 26 December 2002.

IN THE CLAIMS:

Please rewrite the following claims in the manner indicated.

Claim 1. (Twice Amended) A method for transiently transforming plant cells or plant tissue for the large scale production of recombinant polypeptide comprising:

i) providing a plant tissue sample to a bioreactor or cultivating plant cells or plant tissue in liquid medium in a bioreactor under conditions suitable for growth of the cells or tissue,

ii) inoculating the plant cells or plant tissue with a culture of Agrobacteria when suitable growth of the cells or tissues is obtained, the Agrobacteria containing a
